CCCC IS HIRING NOW

Seeking full-time and part-time talented licensed psychologists, social workers, professional counselors, and marriage and family therapists for DC, VA, MD locations. Psychiatrists, psychiatric nurse practitioners, and integrative medical practitioners are welcome too. We have waitlists and continue to grow!

CapitolHill Consortium for Counseling and Consultation, LLC (CCCC) is an established multicultural and multidisciplinary mental health private group practice with locations in DC (Capitol Hill), VA (Crystal City), and MD (Silver Spring, Bowie, Annapolis) and telehealth services as well. We received the 2019 award as one of the Top 100 Minority Business Enterprises in the DMV.

Our mission is to provide high quality, affordable, and accessible psychotherapy, psychological assessment and testing, and consultation services to individuals across the lifespan and in the communities that we serve. You will be among supportive colleagues who are dedicated to growth and learning and are available for regular consultation. Currently we are operating remotely using telehealth but have planned phase-in for on-site service as conditions improve.

We offer infrastructure and support to clinicians so that they can focus on their clients and clinical interest areas, including full-time professional administrative staff who provide billing, credentialing, scheduling, and more.

In addition to direct counseling services, clinicians have opportunities to develop workshops, facilitate groups, and offer subject matter expertise through consultation. Supervisory opportunities are also available. We are an APA accredited location for pre-doctoral psychology internship and provide training for psychology externs and post-docs as well as individual supervision for licensed graduate social workers and counselors.

We are a Platinum insurance provider and offer competitive reimbursement rates for clinicians who are contractors or employees. You can fill up your caseload quickly and have flexibility in your schedule. Full-time clinicians are eligible for benefits and some positions are salaried.

Opportunities for growth are abundant! Please send your resumé to:
capitolhillmentalhealth@gmail.com and see our website at cccmentalhealth.com.
